Dear Patients,

I just want to say a heartfelt thank you for the many, many lovely cards and letters you sent me regarding my retirement. I really do appreciate your thoughtfulness. Thank you very much indeed.

Some of you kindly sent gifts or made donations to the British Heart Foundation, where I know who sent what I have tried to thank you individually, but one very nice bottle of St Emilion had no name attached - so to whoever you are, thank you for your kindness!

As I have written before, it has been an absolute privilege to have been your GP.

So thank you again and very best wishes to all of you.
